dhughes@alpc.ar.gov

Standard State of Arkansas employment application required.

Apply on line:
http://www.arstatejobs.com
Under Arkansas Agriculture Department

**STATE’S MINIMUM QUALIFICATIONS:**

**Education/experience requirements:**

- Licensed as a poultry and/or shell egg grader by the USDA as established by the Agricultural Marketing Act of 1946 as amended (7USC 1621); plus three years of experience in poultry inspection, commodity grading, or a related field.

**Ability to:**

- Knowledge of USDA grading techniques, standards, and instructional regulations.
- Knowledge of shell egg and poultry processing equipment.
- Ability to pass a standardized test on federal regulations governing the grading and inspection of poultry and/or poultry products.
- Ability to perform/monitor on-site inspections to determine/verify compliance with USDA standards and recommend corrective action.
Ability to complete and submit required documents and reports in accordance with established procedures.
Ability to inspect facilities and equipment for cleanliness.
Ability to train and oversee the work of co-workers and industry poultry graders.
Ability to maintain poultry and shell egg regulations and specification manuals.

**Job Duties:**

- Responsible for conducting examination of grade and certifying quality, quantity, condition and methods of handling poultry and poultry products (eggs) in processing plants.
- Responsible for monitoring poultry and poultry products to ensure compliance with established standards.
- Position will be assigned more complex assignments in larger and higher production plants.
- This position will also be involved in the training of new employees.

This is a fulltime position in Berryville and Green Forest day shift with partial weekends. (Tuesday – Saturday work schedule)
