Milwaukee’s Urban Ecology Center has captured the attention of leaders in cities across the country. Our model of creating neighborhood-based environmental education centers energizes urban public natural areas. The result is reduction in crime, protection and enhancement of urban ecosystems, increased property values and improved academic achievement. Located in vibrant public green spaces, our fast-growing organization serves over 200,000 people of all ages annually. Our innovative team of cutting-edge non-profit professionals works in creative, high-energy open offices in state-of-the-art green facilities. The Urban Ecology Center is a leader in workplace flexibility and has been recognized as one of Milwaukee’s Top Work Places by the Milwaukee Journal Sentinel. The Urban Ecology Center’s facilities and programs have been recognized nationally and internationally for their innovative approach to sustainability, neighborhood-based urban environmental education and community science.
