

**UNIVERSITY OF KENTUCKY
POSITION ANNOUNCEMENT**

TITLE: Lecturer Entomology

POSITION DESCRIPTION: The University of Kentucky College of Agriculture, Food and Environment (CAFE) is seeking a qualified candidate to fill a full-time Lecturer position. This will be a twelve-month appointment. Lecturers at the University of Kentucky have faculty status but are not eligible for tenure. The Lecturer will be based in the Department of Entomology (ENT) and will teach undergraduate courses both in the Entomology and the Agricultural and Medical Biotechnology programs. Teaching responsibilities include courses such as Introductory Genetics (ABT 360), Experimental Methods in Biotechnology (ABT 495), Writing and Presentations in Biotechnology (ABT 301) and development of Entomology courses for on-line instruction. Initial appointment is for one year, with potential reappointment depending on satisfactory performance reviews and availability of funds.

QUALIFICATIONS: A PhD in Entomology or a related discipline is required. Preference will be given to candidates with experience in college or university teaching, and with good teaching knowledge of entomology, genetics and molecular biology. Qualifications include strong skills in written and verbal communication, strong organizational skills, and a commitment to high-quality undergraduate education. Upon offer of employment, the successful applicant must undergo national and state background checks as required by University of Kentucky Human Resources.

LOCATION: University of Kentucky, Lexington, KY

SALARY AND BENEFITS: Salary open and competitive. The position includes retirement benefits, group health and life insurance, vacation, disability, and family leave.

APPLICATION: Application can be made online at <https://ukjobs.uky.edu/postings/212483> Please include a cover letter, curriculum vitae, teaching portfolio and the names of three professional references. The application deadline is 1-31-2019 or until a suitable candidate is found.
