

## Faculty Opening in Evolutionary Biology at UC San Diego

The Section of Ecology, Behavior and Evolution in the Division of Biological Sciences ([www.biology.ucsd.edu](http://www.biology.ucsd.edu)) invites applications for a faculty position in Evolutionary Biology at the tenure-track Assistant, or tenured Associate or Full Professor level. We are broadly searching for an evolutionary biologist. Research topics could include, but are not limited to, vertebrate biology, evolutionary ecology, or comparative or population genomics. All candidates must have earned a Ph.D. or equivalent degree, and be committed to teaching at the undergraduate and graduate levels. In addition to excellence and creativity in research and scholarship, successful candidates must also demonstrate a commitment to equity and inclusion in higher education. We are especially interested in candidates who have created or contributed to programs that aim to increase access and success of underrepresented students and/or faculty in the sciences, and/or have detailed plans to accomplish such goals. Salary is commensurate with qualifications and based on University of California pay scales. Initial review of applications will commence on October 23, 2017 and will continue until position is filled. Applications must be submitted through the University of California San Diego's Academic Personnel RECRUIT System: Assistant Professor: <https://apol-recruit.ucsd.edu/apply/JPF01535> Associate or Full Professor: <https://apol-recruit.ucsd.edu/apply/JPF01537> Further details about the required application material can be found at: <http://biology.ucsd.edu/jobs/apply-lrf-lsoe.html> UCSD is an Affirmative Action/Equal Opportunity Employer with a strong institutional commitment to excellence through diversity (<http://diversity.ucsd.edu/>). All qualified applicants will receive consideration for employment without regard to gender, race, color, religion, sex, sexual orientation, national origin, disability, age or protected veteran status.
