Good afternoon all, the Withlacoochee Forestry Center would like to pass along two Forestry related job postings. If you could please add these to your sites. I was hoping you could please pass this information along to recent graduates or students who may graduate within the next six months. The Withlacoochee Forestry Center is looking to hire a forester who will work in the Citrus, Homosassa, Croom and Richloam Tracts of the Withlacoochee State Forest while providing assistance to other foresters throughout the Withlacoochee Forestry Center. The Withlacoochee State Forest is located on the west coast of Florida in Central Florida. There is easy access to the Gulf of Mexico as well as the theme parks of Disney, Universal Studios, Sea World, Busch Gardens, etc.
