**Classification:** Forester - Advanced  
**Working Title:** Tax Law Compliance Specialist  
**Location:** Madison

**POSITION SUMMARY:** The Tax Law Compliance Specialist is responsible for developing, maintaining, monitoring, and enforcing standard operating procedures to ensure compliance with statutes, administrative codes and handbook requirements affecting the implementation and administration of Wisconsin’s Forest Tax Laws. This position provides critical support and consultation to tax law section staff, partners and landowners to collaboratively resolve compliance issues in a timely and effective manner. As an expert in forest tax laws, this position maintains and advises a diverse professional network of internal and external leadership, department staff and inter-divisional teams.

**LOCATION, GEOGRAPHIC SCOPE & TRAVEL REQUIREMENTS:** The incumbent is located in Madison and will have statewide jurisdiction and authority. Periodic travel is required throughout the state.

**SCOPE OF AUTHORITY:** This position works under the general direction of the Tax Law Section Chief within the Forestry Field Operations Bureau and has regular interface with the Tax Law Policy Specialist, Tax Law Operations Specialist, Tax Law Administration Coordinator, and the WisFIRS Private Land Data Professional.

**GOALS & ACTIVITIES:**

35% A. **Implement and Monitor Statewide Forest Tax Law Operations**
- A1. Ensure tax law policies and procedures are being implemented and enforced in compliance with statutes, administrative codes and handbook requirements.
- A2. Ensure compliance with the tax law reporting procedures, public access requirements, and eligibility provisions on industrial and non-industrial tax law ownership.
- A3. Provide for timely review of Managed Forest Law (MFL) packets and fieldwork, transfer and withdrawal of lands from the tax law programs, renewal of lands under the MFL program, collection of Forest Crop Law (FCL) termination tax estimates and adjustment of open and closed acreage.
- A4. Ensure that Cooperating Foresters and Certified Plan Writers understand and follow through with all operational policies, including filing of MFL packets, completing web-based data entry, and filing of progress reports on management plan development and practice implementation.
- A5. Assist to resolve and troubleshoot difficult applications, ownership and deed issues.
- A6. Develop and implement processing procedures for difficult entries, transfers, withdrawals and other issues by working closely with others within the tax law section.
- A7. Analyze and recommend updates to the existing tax law database programs.
- A8. Collect and analyze private and public lands stumpage data.
- A9. Assist with NR 46 Administrative Rule updates including the public hearings and the Natural Resource Board presentation.
- A10. Answer questions interpreting tax law operational policies, procedures and regulations for tax law staff, Department of Revenue officials, town assessors, legislators and their assistants, private attorneys and the public in all phases of tax law administration and accountability. Consult with the Forest Tax Law Policy Analyst as necessary.
- A11. Review notifications from local, county and Department of Revenue personnel on differences in property tax records between their offices and those performing responsibilities related to the forest tax program.
- A12. Initiate correction orders, amendments, letters, or file maintenance for final correction of the discrepancy and keep the Department of Revenue, towns, and counties informed of the status of corrections.
Provide Guidance on Statewide Forest Tax Law Compliance and Enforcement

B1. Consult with DNR tax law section staff and county personnel on enforcement issues including case preparation and assistance. This includes cases of timber theft, cutting notice violations, backlog mandatory practices, eligibility requirements and private forestry non-tax enforcement matters.

B2. Coordinate activities associated with managing large and complex tax law cases that involve multiple counties including assisting with enforcement on industrial tax law clients.

B3. Serve as lead enforcement agent on large and complex tax law cases statewide and testify as an expert witness.

B4. Evaluate tax law enforcement effectiveness and develop program improvements including draft statutes, administrative rules and handbook modifications.

B5. Collaborate with the Forest Fire Protection Section enforcement staff to ensure consistent enforcement implementation and outcomes.

Provide Public Awareness Services

C1. Collaborate with the Forest Tax Law Policy Analyst in the development of web-based information targeted to landowners, local officials and partners, addressing forest land management, enforcement issues, and forest tax law changes and regulations that impact them. Ensure accuracy and continuity in all outreach efforts.

C2. Author articles for newsletters, magazines and other relevant media to raise awareness, minimize violations and improve enforcement.

Develop learning venues on Forest Tax Law Compliance and Enforcement

D1. Develop and deliver tax law enforcement related training and other learning forums for department foresters, supervisors, and cooperating foresters using techniques that are effective and produce lasting results, especially where there are chronic sources of misunderstandings and/or misinformation. Venues may include; regional in-services, annual law enforcement recertification training, statewide, etc.

Team Memberships & Liaison work with External Partnerships

E1. Represent the Section, Bureau, Division, and Department on teams and special projects that are studying and evaluating operational policies of the forest tax laws and/or enforcement related issues.

E2. Work with external partnerships such as WWOA, FISTA, forest industries, etc. to gain understanding and support for forestry and Division objectives.

KNOWLEDGE, SKILLS AND ABILITIES:

Upon Appointment:

1. Knowledge and skill in applied and field forestry as typically gained through a degree or professional work experience.
2. Knowledge of forest management principles and procedures including silviculture, forest ecology, forest economics, inventory and analysis techniques, and remote sensing common to the Great Lakes Region.
3. Skill in the development, implementation, monitoring, and evaluation of operational procedures.
4. Ability and experience to produce finished documents using word processing software and spreadsheet software to tabulate and/or analyze data, presentation software to convey information to groups, air photo interpretation, and email software necessary to communicate with others. Programs used may include; MS Word, MS Excel, Arcview, GIS, and PowerPoint.
5. Experience in public awareness and outreach (i.e., technical transfer).
6. Oral and written communication skills.
7. Ability to develop, maintain and strengthen partnerships.
8. Customer service skills.
9. Ability to administer or enforce regulations.
10. Ability to work as part of a team.

**Full Performance:**

1. Knowledge and skill in the principles of quality assurance.
2. Knowledge of Department forestry policies and programs, including the forest tax laws, and other relevant statutes, rules, handbooks, and policies.
3. Database software and field applications.
4. Knowledge of Great Lakes States silvicultural prescriptions, harvesting methods and systems.
5. Knowledge of forest industry facilities, utilization standards, management commitments, and administrative and field staff.

**PHYSICAL REQUIREMENTS & ENVIRONMENTAL FACTORS:**

**Physical Activity Requirements:** Strength requirements for the position are on a continuum. Sedentary work (exerting up to 10 pounds of force and/or a negligible amount of force) for 100% of the time. Physically, the position has no physical requirements; however sitting at a computer will be done over 75% of the time.

**Equipment Used:** Computer, fax machine, printing equipment, calculator, copier, telephone, cell phone, vehicles.

**Telework Evaluation:**
PD Addendum of WI DNR Competencies

**Service Excellence for Customers & Partners**
- Make excellent customer/partner service a top priority and actively seek to improve it.
- Work to identify and understand the needs of others and strive to create the most value for them, focusing on their satisfaction.
- Responsive to changes in customer/partner goals, deliver on promises, follow-up appropriately thus service delivery is marked by fairness, integrity, high ethical standards and the utmost respect for others in order to generate trust as an outcome.
- Actively seeks to achieve results that best strike the balance with the Division’s service role and regulatory authority with the customer/partner goals.

**Effective & Fair Decision Making**
- Analyze situations fully and accurately to reach productive, and where appropriate, uniform decisions. Consult appropriate parties/stakeholders as necessary and identify the key concerns and/or issues that need to be addressed in order to make the best decision possible.
- Discern the pertinent facts and develop clearly based objective criteria.
- Make timely, well-reasoned decisions by integrating information and perspectives appropriately.
- Evaluate the immediate and longer-term consequences of decisions.
- Use sound professional judgment in their analyses and decisions.

**Effective Communication**
- Express ideas in a clear, concise, and effective manner, both orally and in writing.
- Ability to present, facilitate and instruct as part of staff meetings and partner activities.
- Use correct grammar and sentence structure in communications.
- Strong listening skills, particularly when different viewpoints are expressed.
- Openly share information, transparent and keep all concerned parties informed.
