Position: Brushy Creek is a 6,500 acre multi-faceted recreation area and Dolliver State Park is a beautiful area rich in history and geological features located along the Des Moines River. Both are located in Webster County. Applicants must be available for various shifts including weekends, evenings and holidays. This position is restricted to 40 hours a week. Starting wage is $11.30 per hour. Housing is not provided, however camping is available. Each park has individual positions open for hire but interviews will be conducted together.

Job Responsibilities: Duties will include general park and trail maintenance, park rule enforcement, public programming, and invasive species control. This position offers experience with lake, prairie, woodland, trail, and campground management. One position will focus mainly on Natural Resource Interpretation offering public programming at both parks.

Qualifications: Preference will be given to individuals in a natural resource-related field of study, however it is not required. Applicants must be 18 years of age, able to communicate well with the public; work outdoors in a variety of weather conditions; be willing to operate equipment such as mowers, tractors, and chainsaws; and must possess a valid driver’s license.

Dates of Employment: May through August. Will work with returning student schedules. Longer positions through October may also be available.

Application Deadline: March 9, 2020
