

Subject: NGRREC Land Conservation Specialist (Cass County IL) - Job Opening

Dear friends and colleagues,

We are looking to fill a vacant [Land Conservation Specialist](#) position to be stationed out of Virginia, IL in Cass County. This position will provide ecological technical assistance/ monitoring for NRCS and landowners enrolled in Farm Bill Conservation Programs, specifically the Conservation Reserve Program (CRP) and Wetland Reserve Easement (WRE/ WRP) Program. The position will cover a multi-county region with a home office at the Virginia, IL USDA Service Center. Here is a past [story](#) that describes the program and some of its highlights. Please let me know if you have any questions and please pass along through pertinent channels. Job link to apply below
