Review the job announcement carefully for required information to include in your application. Employment start dates vary.

TERM Jobs Now Being Outreached/Pre-advertised in Region 1

The USDA Forest Service is moving forward with implementation of the [Great American Outdoors Act](#), which will enable federal land managers to take aggressive steps to address deferred maintenance and other infrastructure projects on national forests and grasslands. These positions are in direct support of this effort. These positions serve in supporting the 10 Forests and Grasslands across the Northern Region.

These positions will be advertised as TERM jobs which are considered non-status positions in the Forest Service created for short-term period of work from 1 to 4 years in length. They are not permanent positions to our organization.

More positions to be added to this list in the coming weeks...

[Civil Engineer GS-9 in Missoula or Hamilton, Montana](#)

[Public Affairs Specialist GS-9 in Missoula or Hamilton, Montana](#)

Temporary Fall/Winter Seasonal Jobs

These positions are open NOW on www.usajobs.gov through April 5th, 2021

Many jobs throughout Montana, North Idaho, and the Dakotas are being advertised now to help fulfill our roles in the fall and winter months. These include: forestry technicians/aids for recreation, trails, timber, and silviculture; customer service representatives, engineering technicians, wildlife technicians, archeology technicians, laborers, hydrology technicians, office assistants and more.

Please see the job announcements on www.usajobs.gov for more information and to apply now.
