We're Hiring!

Don't miss out on your shot at these awesome positions in the field of Conservation and Natural Resources! Apply today!

Field Team Members and Assistant Team Leaders

If being a part of a dynamic team, living and serving outside, and gaining skills and contacts in the field of natural resources sounds intriguing, consider a Field Team position!
Dates: June 17 – October 18, 2019  
Optional Chainsaw Training: June 10 – 14  
Application Deadline: April 7, 2019

Field Team Members and Assistant Team Leaders are AmeriCorps members who will serve on a team to accomplish conservation projects in some of Maine's most wild and beautiful places. Members will also participate in training, adhere to all MCC policies, and live cooperatively with other team members during their term of service.

Environmental Stewards

If developing and facilitating environmental education programs, collecting important environmental data, or leading volunteers to complete conservation projects sounds interesting to you, an Environmental Stewardship is a great choice!
Dates: June 3 – November 8, 2019 or July 8 - December 13, 2019

Application Deadline: April 7, 2019

Environmental Stewards serve individually with state and private organizations throughout the state of Maine to help improve the capacity of their host organization by planning conservation projects, as well as developing, training, and sustaining a volunteer base.

Environmental Stewards gain experience and training in:

- Environmental Education
- Volunteer Management
- Environmental Data Collection
- Interpretive Programs
- Land/Trail Management
