Please post this to the listserv at your discretion. The National Wild Turkey Federation posted 5 private land forester positions to our job board today (https://nwtf.applicantpro.com/jobs/). The foresters will work for the NWTF on private lands and duty stations will be at NRCS offices in Rochester, MN (1), Richland Center, WI (1), Fairfield, IA (1), Kingston, MO (1) and Bloomington, IN (1). More information on the positions can be found by clicking on the hyperlink above. We're trying to cast a large net here and we do of course accept folks that have a waterfowl background (I am a little biased) as long as they have forestry experience too! Deadline to apply is April 10. If anyone has questions about the positions, please feel free to call/email me! Additionally there are 5 other forester positions on the NWTF job board and I encourage interested people to look into those positions as well!

Thank you, Matt
