Hi everyone,

Union of Concerned Scientists has a paid, benefits-eligible internship opportunity in our Oakland, CA office.

Please share widely with anyone who may be interested.

**Western States Outreach Assistant (Six month paid internship)**

*Climate & Energy Program*

*Union of Concerned Scientists, Oakland, CA*

Want to fight climate change and create a healthy, sustainable future? In this paid internship, you’ll use your creativity and research, logistical and administrative skills helping our West Coast campaigns and network of scientists to support local, state and regional policy solutions that fight global warming, promote clean energy for all, and prepare for a climate changed future in California, Oregon, and Washington. Position runs January – June 2018. Please apply by October 29, 2017.

**Julia Petipas**

*Human Resources Partner*

*Union of Concerned Scientists | Cambridge MA USA*

The Union of Concerned Scientists puts rigorous, independent science to work to solve our planet's most pressing problems. Joining with people across the country, we combine technical analysis and effective advocacy to create innovative, practical solutions for a healthy, safe, and sustainable future.
