Job posting for a Policy and Planning Coordinator with the MN DNR Division of Fish and Wildlife. This position exists to coordinate fish and wildlife planning, decision-making, and public engagement services, to help ensure that division activities are focused on accomplishing high priority outcomes with established goals and objectives. This position works in a critical role with some of the most high priority, high profile, complex, and challenging fish and wildlife issues in the state. Work is diverse, cross-discipline, and rewarding.

Please share this email with individuals you know that may find this position fulfilling.
