

Research assistant positions, overpopulation, University of Gothenberg

Dear Colleagues,

Below I append a link for two research assistant positions at the University of Gothenberg, Sweden, studying overpopulation, in a research project I am involved in. Please pass it on to any interested or potentially interested parties/job seekers.

http://www.gu.se/english/about_the_university/job-opportunities/vacancies-details/?id=1044

Note that the application deadline is Sept, 28.
