Permanent Fire Jobs!!

Northern Rockies Fire Hiring Event GS-4 through GS-9
The Northern Rockies Region of the Forest Service is pleased to announce our hiring event that is scheduled for **October 1st through October 30th**. We are looking for a committed, hardworking, highly skilled workforce to suppress wildfires and work in fuels management on 11 National Forests located in Idaho, parts of the Dakotas, and Montana.

The fire and aviation management program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including dispatch, engine crews, fuels technicians, hand crews, helitack, interagency hotshot crews, prevention, and apprentices.

Included is the hiring event are GS-04 through 09 permanent fire positions. Get specific information on jobs available by using the outreach database where positions are being listed daily at [http://tiny.cc/jobsoutreach](http://tiny.cc/jobsoutreach). You can also get more information as it becomes available at [https://www.fs.usda.gov/detail/r1/jobs/?cid=STELPRD3821130](https://www.fs.usda.gov/detail/r1/jobs/?cid=STELPRD3821130)
