John,
It's Jacob Figge. We just had an opening for a tree health care position at Ryan and my boss wanted me to spread the word at Iowa State. Could you please forward this posting out to NREM. Anyone who is interested can email either me or my boss at jacobfigge@ryanlawn.com or jeremychristiansen@ryanlawn.com. If anyone would like more information about what the job entails they can ask Jeremy through email or call me at (913)444-0141.

Thank you,
Jacob

Our Metro PHC Dept. is looking for a full-time route manager to join the team beginning 2019.

The Position:

- You will manage and maintain 500-1000 customer properties.
- You will meet with clients to understand their tree or shrub problem, and explain how Ryan Lawn & Tree can help assist their needs.
- Our PHC Managers assist customers with a range of horticulture decisions, while doing the work.
- This position requires both production and sales.

Preferred qualifications:

- A degree in horticulture, arboriculture, forestry, or related fields, with a passion for trees and the outdoors.
- Or, several years of green industry experience in lieu of education.
- ISA Certified Arborist is a plus.
- We look for people who are motivated, ambitious, high energy, hard working, mentally tough, with a positive attitude and outgoing personality.

Email Jeremy Christiansen with your interest and resume for consideration.

Take care,
Debra Warner
