8-10 PAID INTERNSHIP POSITIONS

Focus of the internship will be based on ecological restoration with an emphasis on invasive species control. Land stewardship will occur statewide on prairies, wetlands, savannas and other natural areas owned or protected by INHF. Additional education opportunities and professional development will be provided by INHF staff and partners.

INTERNSHIP REQUIREMENTS

- Current college students with Iowa connection (see website for details)
- Willing to work outdoors in all weather conditions and camp with crew and staff near worksites
- All college levels are eligible (freshmen-seniors)
- Outdoor work experience a plus, but not required
- 40 hours per week, 12 weeks
- Meets most college credit requirements for work experience

IOWA NATURAL HERITAGE FOUNDATION

Iowa Natural Heritage Foundation is one of the leading private non-profits in conserving, protecting and restoring Iowa’s natural resources. For details and application instructions, please visit: www.inhf.org/about-us/internships
