Scholarships and Awards

Carl Rise Teaching Fellowship in Forestry - This fellowship is open to master-level graduate students in forestry with a 3.0 grade point average, who are active in student affairs and who show exceptional academic promise.

The Florence E. and Wendell H. Harmon Endowed Research Fellowship in Forestry Management was established in 1999 by Florence and Wendell Harmon. This award is open to graduate students pursuing an education in forestry, with preference given to those students in need.

The Iowa Natural Heritage Foundation J.N., “Ding” Darling Scholarship is given in honor of Jay N. “Ding” Darling who was a two-time Pulitzer Prize-winning political cartoonist for the Des Moines Register beginning in 1906. Recipients of the “Ding” must demonstrate not only knowledge of subject matter, but also their ability to communicate their knowledge--and their convictions--to our nation’s natural, cultural and historic resources — to others. Preference is given to students who display leadership through participation in school activities, professional organizations and community service projects.

Kenneth Carlander Memorial Graduate Scholarship - Upon his death in November 2002, his wife, Julia Carlander, decided to establish a scholarship for graduate students in Fisheries Biology as a memorial to the impactful work of her husband. It is her wish that each person who receives this scholarship exhibits a devotion to fisheries biology comparable to her husband’s and embodies Kenneth’s great love for work and family.

Mrs. Alice Tostenson established the LaVon Tostenson Award in 1983 in memory of her late husband. Mr. Tostenson was a farmer, sportsman and longtime dedicated conservationist. This award is presented to a graduate student whose research program focuses on the conservation, ecology, or management of fish and wildlife game species.

Iowa Natural Heritage Foundation - Sherry Fisher Award - also comes to us from the Iowa Natural Heritage Foundation via the J.N. "Ding" Darling Foundation. Sherry Fisher was a founding member of the Foundation and served as its president for some 20 years. As recognition for his years of service, the Ding Darling Foundation established this scholarship award. It is intended for the "best of the best" - the most outstanding of the "Ding" Darling applicants.
