Become a Prairie Strips Consultant Workshop List

Join us for a hands-on experience that will provide training in ways to consult with farmers and landowners on establishing prairie strips. A Best Management Practice which includes design, establishment, and management. Funded in part by The McKnight Foundation's Mississippi River Program. You only need to attend one of the four workshops to participate in the 3-part certification program*. Register prior to attending. There is no registration fee. A complimentary lunch and flash drive resource package will be provided. Bring a laptop. Registration form at http://www.nrem.iastate.edu/research/STRIPs/content/become-prairie-strips-consultant Participants may be eligible for a $250 bonus for attending, eligibility restrictions and guidelines on page 2. If second page absent, please contact us for more information.
